

PRINTING TECHNIQUES

**A one day course for teachers
at Key Stage 1 & 2**

**A chance to work through a series of
delightful and progressively more
complex printing techniques, within
the context of topics that can be used
in the classroom**

**Participants will have a very practical
experience and will leave being able to
apply their skills confidently with large
groups of children and achieve some
wonderful work!**

19th October
9.00 - 3.30 - C01, Hepscoth Park
