

**A chance to explore a range of
3D materials including CLAY,
WIRE, MOD ROC,
STRENGTHENING AGENTS and
CARD, all related to enjoyable
and challenging classroom
activities for Years 1 and 2.**

Participants will make some wonderful structures, look at the work of sculptors such as Eva Hess and go away feeling inspired and confident about applying new skills and ideas in the classroom

**WORKING WITH
3D MATERIALS**

12th October

12.30 - 3.30pm

Hepscott Park, Room A
